

Dear Boni's Parents,

As much as we love our parents we have found that limiting the number of people in the studio at one time creates a safer and quieter atmosphere for our dancers and that it is more productive for our level dancers not to have parents in the studio each week.

Our youngest dancers (ages 2-4) parents will be able to come into the studio each week and our dancers ages 5 and up parents will be able to come in during our in-person open curtain weeks and holiday dances.

Boni's Studio Protocol 2021/2022

Tots, Pre-Ballet & Split Classes (Age 4's):

Parents are welcome to park in the Boni's parking lot and walk in their dancer. You are welcome to stay while your dancer is in class or return to your car to leave.

Splits (Age 5's) - All Level Classes:

Please continue to use Boni's car line for drop off and pick up and we will see you in the studio for open curtain weeks; the dates are listed on the studio calendar.

Health Protocols:

Hand sanitizer will be available for dancers to use when they wish to. If a dancer wishes to wear a face covering they are welcome to do so.

Miss Boni
